Prayer for Protection of Children

By: Briana Saussy

Blessed Ones in whom I live, move, and breathe.

Today and everyday I ask that you surround my children with a holy hedge keeping them safe and repelling all harm, danger, evil, violence, malevolence, unkindness, harm and cruelty, from their lives both within and without.

May any who seek to harm the innocents find themselves bound, frozen, unable to act, unable to move until clarity, kindness, compassion, and balance make themselves known once more. May this holy hedge surround my children and all of the children that they know, all that they know, and so on so that every blessed innocent world over is held in safety and protection.

May all guides, guardians, care-givers, and care-takers of the innocent be blessed with clarity, wisdom, compassion, boldness, and love. May we take the steps together that need to be taken now, today, not tomorrow, not next week, so that our lives and the lives of our babies are held safe, sacred, and inviolable, as they truly are.

In the holy names I make this prayer.

Amen.
