The Blessing
Banish and Burn Blessing

Be banished now, go and never your back do turn,
Be banished now and into the golden flames do burn.
Take on the heat, the glow, the warmth so bright.
As I make space for what is new, precious, and full of life.

Be banished now, go and never your back do turn,
Be banished now and into the golden flames do burn.
Transform thyself by sacred smoke and prayers well
said.
Transform thyself shedding all that brings dread.

Be banished now, go, an never your back do turn,
Be banished now and into the golden flames do burn.
Go now in peace as we call forth what is needed,
what is next.

Go now in blessing as we step into what for each is
best.

By star above, earth below, and blessed sovereignty.
These things we ask in true words said and as we ask so
shall it be.
